PCN DETAILS

- **3 Connector assembly work centers and supporting component injection mold tooling will be transferred from Lincoln, Nebraska to our production facility in Nogales, Mexico**
  - No change to resin or resin supplier. Two resins used in Lincoln are already in use in Nogales
  - No change to packaging or packaging supplier
- **Product Impact -** None. No change to form, fit or function.
- **Molex part numbers impacted -** See attached list
- **Qualification Reports and samples available upon request**
  - To streamline the qualification process, part numbers from each assembly work center with the greatest impact have been identified and will be used for assembly qualification purposes. Samples and First Article Inspection Report (FAIR) data will be available for these per the following schedule. Please consider accepting this surrogate qualification data in lieu of your specific parts
  - Other qualification part numbers may be considered upon request and made available with longer lead times
