Change description

Object : Production of the BTS 2.8 terminal system is scheduled to be discontinued in Q1 2027.

'APTIV has decided to discontinue the BTS 280 F contact system. The Sigma3 280 F contact system has been identified as the recommended technical alternative. The affected part numbers and their corresponding replacement options are provided in the comparison table below to support a smooth transition to the Sigma3 280 F platform.
Last orders for the BTS 280 F terminal system may be placed through December 2026.
Customers are encouraged to begin transitioning to the Sigma3 2.8 terminal system, which is available for ordering effective immediately.

Reason:

☐	*Quality improvement*	☑	*Part termination*
☐	*Technical product/process improvement*	☑	*Part number change*
☐	*Restart of production after one year stop*	☐	*Capacity increase*
☐	*Manufacturing location transfer*	☐	*Documents updating*
☐	*Bill of matérial updating*	☐	*Packaging box / volume*

Level of validation
