PRODUCT CHANGE NOTICE

PCN C020261109: Low Volume Obsolescence
Issue Date: November 11, 2026

Dear Valued Customer,

This notice is to inform you of a product obsolescence that may affect selected items that you have purchased from Littelfuse.

Description of the Change:

Littelfuse will discontinue and no longer support the manufacture of the products listed below.

Reason for the Change:

The affected part numbers are being discontinued due to consistently low or no demand over the past years. Additionally, extremely low order quantities, combined with the component mix requirements and high supplier MOQs, make it no longer feasible to sustain their supply.

Effective Date of the Change:

Effective immediately.

What You Need to Do:

- Last time buy orders for parts with available inventory must be placed by December 1, 2026.
- Last time buy shipments are expected to begin in January 2027.
- Please remove the obsolete part numbers from your system.

If you have any questions, please contact your Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Luisa Cuevas

Luisa Cuevas
