PRODUCT CHANGE NOTICE

Issue Date: October 20th, 2026

Dear Valued Customer,

This notice **C0651** is to inform you of the duplication of production for finished good(s) you have purchased from Littelfuse.

Description of the Change:

- Littelfuse will duplicate production of the attached part numbers and will rely on finished goods provided from both sites (CN / TH) to fulfill future demand.

Reason for The Change:

- Littelfuse is investing in this expansion to support the current and projected demand from worldwide end customers on these and other such similar family parts

Effective Date of the Change:

- Production from the new site began on December 2025, originally communicated via notice C0617. This new notice, C0651, expands our original scope to include additional part numbers.

***What You Need to Do*:**

- No action is required from your side.
- There will be no change in fit or function of these parts.
- End-of-line marking and labeling will provide visual traceability for customers, but no other changes in form will occur

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Demetrios Thanopoulos
