

UTOX metal circular connectors

We are excited to announce the launch of our new UTOX metal circular connectors, designed to withstand severe mechanical and environmental conditions. Here are the key highlights:

What's new?

- **Enhanced ergonomics** for easier manipulation
- **Unmatched corrosion resistance:** Up to 500 hours salt spray resistance
- **Superior mechanical resistance:** IK07 shock resistance
- **Ultimate water tightness:** Hi-seal inserts available for water tightness, even unmated, IP68/69K resistance

Outstanding benefits

- **Quick and easy** mating thanks to the bayonet mechanism
- **High mechanical strength** and shock resistance with zinc alloy and brass
- **Shielding** to protect signal integrity and data transmission
- **Waterproof:** IP68/69k
- **Safe and reliable:** RoHS compliant, fully UL/IEC certified
