UPDATED DESIGN

NEWLY REDESIGNED CABLE SWITCH! The Cordette series has set the standard for pendant switches for decades. The redesigned 922K adds tactile feedback, an ergonomic housing, IP68 sealing, and a rugged modern profile. A standard 6-foot cable assembly is available off the shelf, and custom cable assemblies are built at the Switchcraft factory in Chicago.

100,000
ACTUATION
CYCLES

Subminiature snap switch is rated for a minimum of 100,000 actuation cycles

IP68
WATER RESISTANCE

Overmolded switch body is sealed to IP68, protecting internal contacts

PREMIUM QUALITY

Made at the Switchcraft factory in Chicago using high quality materials
