NEW PRODUCT LINE

UNIQUE DESIGN SEALS SMA & SMB CONNECTIONS! This new product provides a sealed RF connection, enabling high reliability in harsh environments. The simple design is compatible with many standard RF connectors and can be easily incorporated into an existing design. Feedthru connectors are included with panel mount kits while cable end connectors and cable are sold separately.

IP68

WATER RESISTANCE

Rated to IP68 when mated for a secure connection in harsh environments

STANDARD COMPATIBILITY

Connector kit can be used with industry standard SMA or SMB connectors to easily incorporate in existing designs

PREMIUM QUALITY

Sealed connector components are made in USA using premium quality materials

SPECIFICATIONS
