

Speed Your Processing Time with TTI Standardized Labels

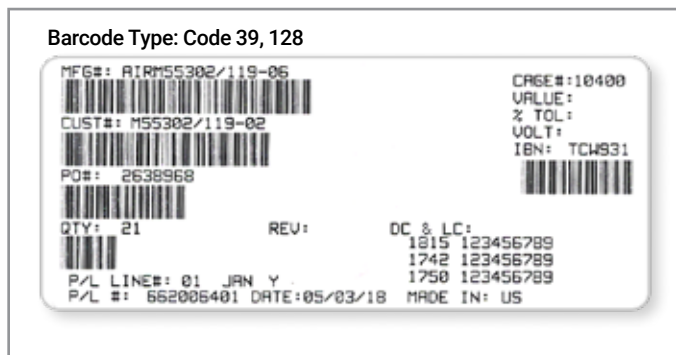

When you choose one of our standardized label formats, your order preparation and processing can happen more quickly. Our standard labels are offered in several different formats to allow a wide range of information and options to be presented.

Options Include:

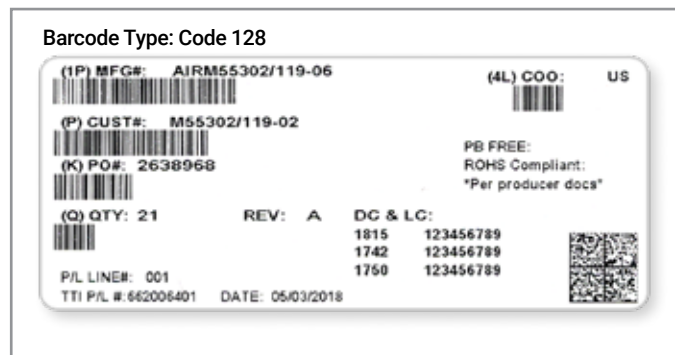

- Manufacturer and Customer Part Numbers
- Purchase Order Number
- Quantity
- Date Codes, Lot Codes, and Country of Origin
- Custom Barcodes and 2D Barcodes
- Many other Standard Options

Examples of most common labels VA16, VA26, and VA91
