变更后 To

C10-731950

Change Details: Yellow and Brown housing color options have been added to the existing color offerings for part number 731950. All other product specifications remain unchanged. Functional Impact: No functional impact. All electrical, mechanical, and environmental performance specifications remain unchanged. Only the color pigment has been changed. Interchangeability: The new color variants are fully form, fit, and function compatible with all existing versions. Drawings have been updated to include the new color options. All orders placed on or after July 1, 2026 can specify Yellow or Brown as required. Existing inventory of other colors remains valid and unchanged.
