

Product Change Notice

PCN#: EE-PCN26009

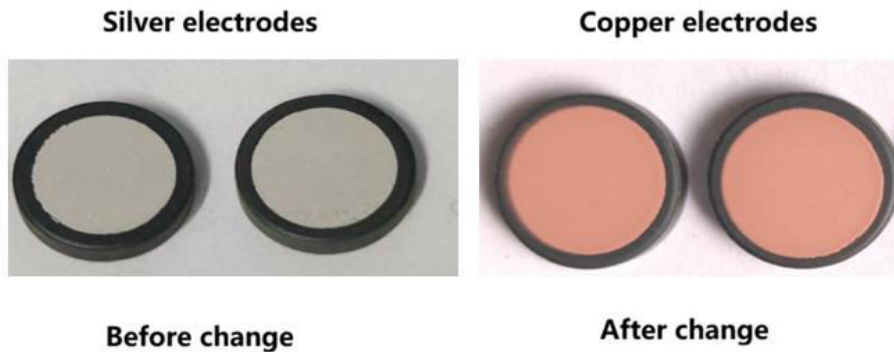

February 9, 2026

CLASSIFICATION OF CHANGE:

Material Change.

DESCRIPTION OF CHANGE:

Over the past year we have experienced sustained cost increases for MOV products due to raw material silver cost increase sharply. Eaton has worked to offset these pressures through productivity and sourcing actions. We're going to change the silver electrodes to copper electrodes to mitigate the cost pressure and not change product performance.

REASON FOR CHANGE:

Mitigate material cost pressure through productivity and sourcing actions.

EXPECTED INFLUENCE ON QUALITY, RELIABILITY, AND PERFORMANCE:

There will be no effect on the quality, reliability, or performance. There are no changes to form, fit, and function of the devices. The change didn't impact on existing stock.

PARTS FAMILIES AFFECTED:

See following page for part number list.

TIME SCHEDULE:

Start Shipment Date: March 1, 2026.

ISSUED BY:

Product Manager: Roald Bai
