Dear Valued Customer. With this letter ITT Cannon informs you of the following change(s) to the respective ITT Cannon Product. In case of further questions about this change(s), please contact your local ITT Sales or Customer Service representative. Affected part, drawing and or specification numbers are listed on the attached sheet(s)

Affected Product(s) / Product Line(s):

KPSE grommet for layout 14-12 (included in: 143-8555-018, 143-8555-019, 143-8555-518, 143-8555-519)
KPSE grommet for layout 14-19 (included in: 143-8555-022, 143-8555-023, 143-8555-522, 143-8555-523)
KPSE grommet for layout 16-26 (included in: 143-8555-032, 143-8555-033, 143-8555-532, 143-8555-533)
KPSE grommet for layout 18-32 (included in: 143-8555-036, 143-8555-037, 143-8555-536, 143-8555-537)
KPSE grommet for layout 24-61 (included in: 143-8555-056, 143-8555-057, 143-8555-556, 143-8555-557)

Description of Change(s):

The contact cavity design has been optimized to ensure improved compatibility with the grommet.

Reason for Change(s):

This optimization enhances the demoulding process in order to increase production output and secure long-term delivery performance.

This change has no impact on form, fit or function of the product. The handling and assembly of components remain unchanged.

Due to the non-impact nature of this change, no sample inspection reports or PPAP documentation will be provided.

Last Production Date (Obsolete Parts Only):

30st August 2026

First production date (Changed Parts only):

1st September 2026
