Product Change Notice (PCN)

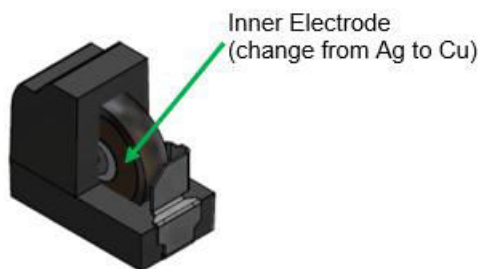

March 30th, 2026

LFPCN# 41574

Product Change Notification for SM10 Series SMD MOV – Inner Electrode Change

To whom it may concern,

Littelfuse would like to notify you of a change related to SM10 series SMD MOVs' inner electrode as shown in below picture.

This change has no impact to product's original electrical parameters, dimensions, quality, reliability and part numbers. This change will be implemented starting from Sep 30th, 2026. During the change transition period, customers are expected to receive current and new products until current product inventory in Littelfuse warehouses and distribution channels are depleted.

Please see attached the affected part number list and respond to us by May 30th, 2026 to acknowledge this product change notification. If we do not hear from you, we will expect this product change notification has been accepted and no further action is required.

Best Regards,
Amy Chu
Global Product Manager
Littelfuse, Inc.
