Customer Sample Availability Date:	June 15, 2026		
Last date to request Samples by Customer :	June 30, 2026		
Please note if Samples are not requested as per Customer Samples Request date, it may take additional 4-6 weeks to arrange Samples.			
Traceability Code Markings/ Date :	Lot information on label		

Before Picture

Change Overview

- Molex hereby notifies that production of the affected part numbers will be transferred from in-house manufacturing to a qualified external supplier. This change is being implemented to support Molex's global footprint strategy and to better align with future business growth areas.
- This production transfer has no impact on machines, methods, or materials, and only the man involved in production is affected by this change.
- The supplier selected by Molex has extensive experience in manufacturing and managing products with similar product characteristics. This experience supports a controlled and robust transfer process, minimizing potential risks associated with the production relocation.

PCN Description

- Part Number Impact :
 - ↳ Please see attached impacted parts list.
- Product Impact :
 - ↳ There will be no impact on fit, form, or function. All products will continue to meet current specifications, drawings, and performance requirements.
- Qualification Reports and samples :
 - ↳ Qualification activities, including reliability testing and dimensional verification, will be completed in accordance with internal standards and customer-specific requirements. Where applicable, Sample or PPAP documentation will be provided, and the agreed submission level will be followed.
- Implementation date may be updated due to customer demand and production condition.
