| <b>Customer Sample Availability Date:</b>                                                                                           | August 31, 2026                                                                                                                                                                         |                     |        |
| <b>Last date to request Samples by Customer :</b> September 10, 2026                                                                |                                                                                                                                                                                         |                     |        |
| Please note if Samples are not requested as per Customer Samples Request date, it may take additional 4-6 weeks to arrange Samples. |                                                                                                                                                                                         |                     |        |
| <b>Traceability Code Markings/ Date :</b>                                                                                           | Product made after planned implementation date can contain the change                                                                                                                   |                     |        |

## Before

### ■ In Part # 367691002, 367691008 & 367691015 :

Existing supplier for terminal being used is from **PANDUIT**.

| MANUFACTURER | MANUFACTURER PN | DESCRIPTION                                |
|--------------|-----------------|--------------------------------------------|
| PANDUIT      | PV10-8RB-2K     | RING TERMINAL PANDUIT PV10-8RB-2K; UL94V-0 |

## After

- **Reason for change:** To prevent increased Lead-Time problems with the current supplier, qualification of a Dual / Alternate source has been identified.
- In addition to the current **PANDUIT** supplier, **KST** terminals have been introduced as a Dual / Alternate supplier.

| ITEM | MANUFACTURER | MANUFACTURER PN | DESCRIPTION                                |
|------|--------------|-----------------|--------------------------------------------|
| A, B | PANDUIT      | PV10-8RB-2K     | RING TERMINAL PANDUIT PV10-8RB-2K; UL94V-0 |
|      | KST          | RNYBS5-4-PS     | RING TERMINAL KST RNYBS5-4-PS ; UL94V-2    |

- Impacted part numbers : **367691002, 367691008 & 367691015**
- Product Impact: There will be No impact to Fit, Form & Function of the product.

*Note : The implementation of this PCN may be proceeded earlier than planned, depending on customer approvals.*

## PCN Qualification and Validation Plan

- Below is the List of Part Numbers will be used for internal qualification & validation purposes.
- Samples and Qualification data will be provided upon request.

0367691002
