## **4M Change Notice**

(Microblower)MZB1001T02

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.  
This is the official notification that some of our products' 4M Change will be proceeded as detailed below.  
Please review the contents, and confirm that you will expect to receive products after this 4M Change.  
Your understanding and support are highly appreciated.

### **1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:**

Product Type: (Microblower)MZB1001T02

Changes:  Man  Machine  Material  Method

Products Surface Cap, Adhesive, Marking will be changed.

Please refer to the attached documents for detailed Part Numbers' information.

### **2. Reasons/Background:**

Change in material for the products surface cap due to the supplier's end-of-life (EOL)  
In addition, considering the environmental perspective,  
we have also decided to adopt PFAS-free adhesive for our products.

### **3. Products Before and After the Change:**

The new products are expected to keep the same functionality and reliability as the current produ  
There are changes of the products' Appearance(Color and Marking), due to this 4M Change.  
Please refer to the attached file for further details.

### **4. Change Schedule:**

The updated product's shipment will be started after **Apr 2027**. ※

※After running out of the material stocks for the current products.

### **5. Contact Window:**

If you have any questions or concerns,  
please contact Murata Sales, Representative, or Distributor in your area.

### **6.Request regarding information handling**

We kindly request that the information provided by us not be disclosed or  
shared with third parties,including data base providers or by posting on websites.

Truly Yours. Thank you.
