Qualification Plan or Data (if applicable): Available on request. See attachment in Comments section for estimated availability dates.

Customer Samples Available (if applicable): See attachment in Comments section for estimated availability dates. Contact Reilly Martinez (Reilly.Martinez@qorvo.com) with your sample requests and reference this PCN Number.

Qualification Results Available (if applicable): Available on request. See attachment in Comments section for estimated availability dates.

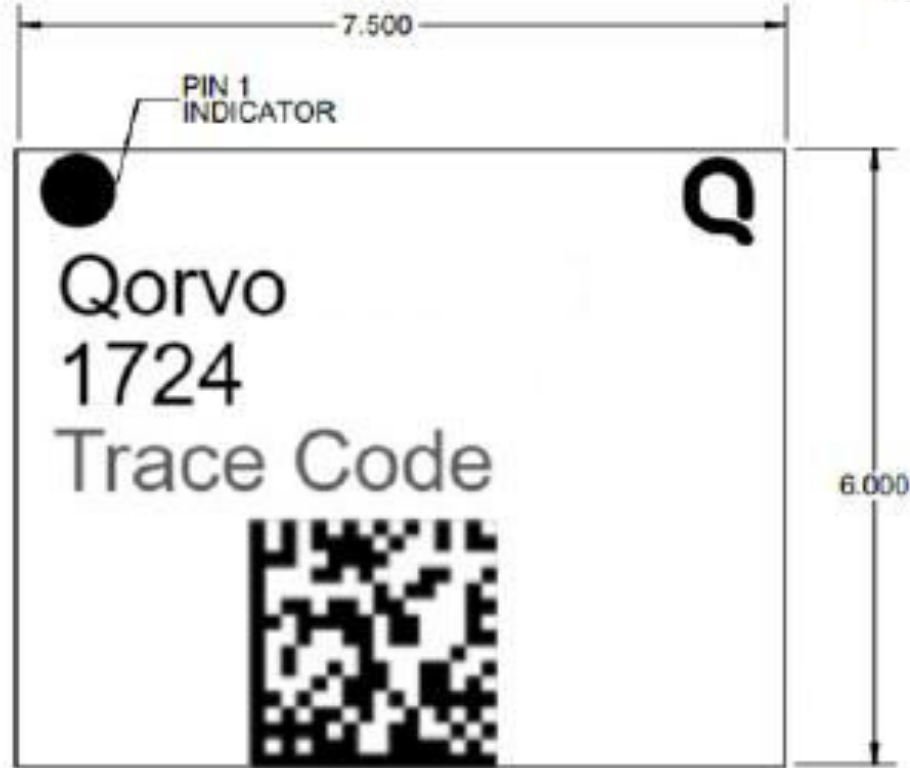

Planned First Ship Date: Production material can begin shipping after Qualification completion. Refer to attachment for details by product. Until this change is completed, supply of finished goods will be limited.

Identification of Changed Product (if applicable): Lot identification. 2DID marking will be added to these products.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
