RE: End of Life Notification

| Spectrum Part | Customer Part | Last Order Date | EOL Date |
|---------------|---------------|-----------------|--------------|
| K6513 | 312A4493P1 | June 2022 | October 2024 |

Dear Valued Customer:

This letter serves as official notification that Spectrum Control, Inc. discontinued production and supply of the above referenced part number. Due to overall market conditions, lack of demand, and extended inactivity, it is no longer feasible to continue manufacturing this product.

The original last time buy period has expired and no additional last time buy opportunities will be offered. A replacement product is not available.

We appreciate your business and thank you for your support of Spectrum Control products.

Respectfully,

Janet Justka
Sr. Product Specialist
Spectrum Control, Inc.
