RE: End of Life Notification

Spectrum Part	Customer Part	Last Order Date	EOL Date
K6513	312A4493P1	June 2022	October 2024

Dear Valued Customer:

This letter serves as official notification that Spectrum Control, Inc. discontinued production and supply of the above referenced part number. Due to overall market conditions, lack of demand, and extended inactivity, it is no longer feasible to continue manufacturing this product.

The original last time buy period has expired and no additional last time buy opportunities will be offered. A replacement product is not available.

We appreciate your business and thank you for your support of Spectrum Control products.

Respectfully,

Janet Justka
Sr. Product Specialist
Spectrum Control, Inc.
