RE: End of Life Spectrum Part Number K7641, Customer Part Number 361A8015P1

Dear Valued Customer:

This letter serves as official notification that Spectrum Control, Inc. is discontinuing the production and supply of the above referenced part number immediately. Due to overall market conditions, lack of demand, and extended inactivity, it is no longer feasible to continue manufacturing this product.

A last time buy cannot be extended. A replacement product is not available. Please note there are multiple sources of supply qualified and listed on the specification.

We appreciate your business and thank you for your support of Spectrum Control products.

Respectfully,

Janet Justka
Sr. Product Specialist
Spectrum Control, Inc.
