Title / short description	UT 6 country of origing change for selected markets
Affected article category	Terminal blocks
Change category	Production location
Change number	PBE220380-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Change of country of origin

Detailed description of the change

Due to increased demand and current capacity constraints, and in order to ensure a stable and continuous supply of products, it has become necessary to change the country of origin for the items listed in this PCN. This measure is intended to maintain product availability across all affected markets and to support ongoing supply chain reliability.

Please note that products manufactured in Germany and China are fully identical in terms of design, materials, specifications, and performance. The only distinction relates to the declared country of origin, and there are no changes to functionality, quality, or compliance.

The impacted countries are as follows:

China, Canada, Japan, Korea, Singapore, India, Australia, New Zealand, Taiwan, Thailand, Malaysia, Indonesia.

Exemption: Article UT 6 (3044131) for the CN market already has country of origin = CN (no changes for UT 6 3044131 in the CN market).
