PRODUCT LIFECYCLE BULLETIN

K3S / Aurora Series

01st October 2026

Dear Customers and Partners,

This bulletin provides an overview of the lifecycle status for the K3S / Aurora series.

The lifecycle of all parts beginning with "**K3S**" (for example, K3SA110FR0P1430, K3SB125MS0P1230, and K3SC055MS0P1230) is **Obsolete**, meaning these parts are not manufactured as standard.

Smiths Interconnect is not offering any further purchasing opportunities.

Please note that all K3S parts included in price books will be invalid with immediate effect.

If you have any questions or require any clarification, please do not hesitate to contact our local sales representatives.
