

TTI INC:

Please refer below for SWS Change Notification.

- **Parts # Affected:** SEE attachment
- **Description:** SEE attachment
- **General Description:** The finished good assembly location and equipment will transfer from SEWS SV/FR Manufacturing Locations to Juárez AVE.PARQUE INDUSTRIAL AZTECA 620COLONIA: PARQUE INDUSTRIAL AZTECASCP 32679. The parts will be assembled using the same equipment and the molding location will not be changing, only the final assembly location. A Level IV PPAP will be submitted: Rapid approval is paramount in the continued supply of parts as the equipment itself will be moving. The new location currently does not hold an IATF 16949 certificate. However, SEWS is actively working with the auditing agency to organize accreditation once the required 1 year of production has been met.
- **Reason for Change:** SEWS is transferring the assembly location from SEWS US to SEWS Contec.
- **Date of change proposed:** August 06, 2026
