Notification of End of Production and Final Purchase of SD Cards and microSD Cards

Dear Valued Customer,

We hope this letter finds you well. We would like to express our sincere gratitude for your continued support.

KIOXIA Corporation has announced the end of production (EOL) for its 2D NAND flash memory. Accordingly, we regret to inform you that we will be discontinuing the production of our SD Cards and microSD Cards that utilize these flash memories.

Furthermore, due to the recent global shortage of semiconductors and the soaring cost of raw materials, it has become extremely difficult to secure the necessary components for the affected products. Therefore, we kindly ask for your understanding that it is currently difficult to determine the quantity and price.

For final purchases, please review and acknowledge the following matters before contacting us. We appreciate your understanding and cooperation in light of these circumstances.

Sincerely,

Notice

1. Applicable Product Series Name

MMRD4 series, MURD4 series

2. List of Our Product Name with Customer Purchase History among Applicable Products

Please see attached list

3. Deadline for Final Purchase

June 25, 2026

4. Estimated last time ship date

March 31, 2029

5. Important Notes on Final Purchase

The final purchase of these Products will be subject to the following conditions, which differ from those previously applied.

- **No Guarantee on Supply Quantity**
The quantity we can supply to customers depends on the amount of NAND flash memory allocated to us by KIOXIA Corporation, so we cannot guarantee supply in the exact quantity requested. There is a possibility of reduced quantities or inability to supply.
- **Market Price Application of Selling Price**
Currently, prices of various materials are fluctuating significantly, and we are unable to provide a sales price at the time of this notice. Furthermore, the final sales price will reflect the “market price” at the time our company secures the product. There is a possibility that the price may rise several times higher than previously quoted prices. We will provide a separate quotation for the final purchase price.
- **Introduction of Alternative Product Candidates**
We are currently in the process of selecting alternative candidate products, but progress has been delayed due to a global shortage of materials. Once we have identified suitable alternatives, we will introduce them to you again.

6. Next Steps

We will formally respond once we have determined the quantity we can supply and the corresponding prices.
