Description of Change: Vishay will discontinue production of part number CWR06N*104** (rating 0.1 µF 50V, A case), all possible combinations of capacitance tolerances, termination finishes, reliability and Surge current options.

Reason for Change: Manufacturing of part number CWR06N*104** (rating 0.1 µF 50V, A case) is no longer cost effective. No replacement part number is available.

Expected Influence on Quality/Reliability/Performance: Not applicable.

Part Numbers/Series/Families Affected: CWR06N*104*

Vishay Brand(S): Vishay Sprague

Time Schedule:

Last Time Buy Date: Monday December 28, 2026

Last Time Ship Date: Monday June 28, 2027

Sample Availability: Not applicable.

Product Identification: Not applicable.

Qualification Data: Not applicable.

This PTN is considered approved, without further notification, unless we receive specific customer concerns before Tuesday July 28, 2026 or as specified by contract.
