

Technical Change to the Scope of Delivery of the Klippon POK Enclosure Series – Discontinuation of Mounting Screws

Dear Sir or Madam,

The products in the Klippon POK and Klippon POK EX series will be changed after a transition period. Please forward this Product Change Notification (PCN) to your employees and, where applicable, to your customers.

1. General Overview

Type of change: ☒ short-term action (implemented within the next 6 months)
☐ normal (implemented after 6 months)

Short-term measures due to:

- | | |
|--|--|
| ☐ Software / firmware bug fix | ☐ Delivery stop by supplier |
| ☐ Short-term recall by supplier | ☐ Force majeure |
| ☐ Product improvement | ☒ other |

Description of the change:

Change to the scope of delivery

The scope of delivery for the polyester enclosures will be adjusted: The mounting screws previously included will no longer be supplied.

2. General Information

Optimization in the manufacturing process

The adjustment is being made as part of the continuous optimization of the scope of delivery. Analyses have shown that the mounting screws supplied are not used in many applications. By discontinuing these components, the scope of delivery will be more closely aligned with actual customer requirements. Function, quality and technical characteristics of the products remain unchanged.

3. Change Details

Details – mounting screws

The enclosures in the “Klippon POK” and “Klippon POK EX” series have previously each been supplied with two mounting screws per product. These mounting screws will be discontinued from the scope of delivery in future.
