Product approval change notification for Film and Paper series

December 15th, 2025	ID Number (MMDDYY): PCN-121525-KB
Affected Products	<p>F43 PMR210 P410 PZB300</p> <p>Products as per attached Annex1 – Customer list and PNs Annex2 – PNs in catalogue Annex3 – List of PNs in system</p>
Change	<p>The new Edition 5 of IEC60384-14 will come into force from March 1st, 2026 for the ENEC certification scheme and Yageo is already working for being ready and have all the certificates updated for that date.</p> <p>Due to Business consideration and market request the certificate of the affected series will be not updated to Edition 5 so after March 1st, 2026 these series will be no more marked with ENEC marking.</p> <p>For the affected products the change will impact only on marking and Product certification, without influencing the product form, fit, or function as the products will be manufactured with the same materials and processes currently used.</p>
Justification and Benefits	Affected series will be available on the market with same performance but without product approval marking
Effective Date and Identification	Last production of affected products with current marking will be March 1st, 2026. Without acknowledgement of this notification by January 15th, 2025, KEMET will proceed to implement the change as described here in.
