PCN (Product Change Notification) reference: **2025/06**

Subject: SM EMI Filter Pin Second Source Notification

Dear Customer,

The purpose of this notification is to advise that the Knowles is adding new pin suppliers for use in Knowles SBSM and SBSG series Surface Mount EMI Filter components. The reason for this addition is business risk mitigation, to enable pins to be purchased from different suppliers.

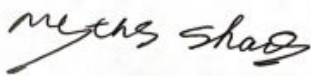

Please note that:

- There are no changes to pin specifications, including no changes to materials or dimensions.
- No changes to Knowles manufacturing processes.
- No changes to Knowles SBSM or SBSG component specifications. No changes to form, fit or function.
- No changes to customer assembly processes.

Qualification test summary is available on request.

If you require further information, please contact Knowles Customer Service.

Yours sincerely,

Myths Shang  
Quality Manager, Knowles Precise Devices
