

[April-28-2026]

Dear Valued Customer,

NOTIFICATION END-OF-LIFE: [85203/85740/86740]

We are writing to inform you of Laird’s decision to discontinue the manufacture of the products listed below (the “Affected Products”) as of July 28,2026, or as contracts will allow. Quantities will be established by Laird’s order acknowledgment based on the raw materials we have on hand until they are fully consumed. All orders must request a ship date prior to October 28,2026; actual ship dates tied to specific orders are established by Laird’s order acknowledgement.

In Table 1 below, we suggest potential replacement products for your consideration. Technical datasheets for these products are available, and Laird would be happy to share further data, and supply samples for customer testing and qualification.

The dates for last order placement and last shipment of the Affected Products are listed in Table 2 below.

Table 1. Standard Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Potential Replacement Product Part Number	Potential Replacement Product Description

For customized part numbers, please consult your Laird account manager for new part numbers.

Table 2. End-of-Life Milestones and Dates for Affected Products

Milestone	Definition	Date
End-of-Life Notification Date	The date that end-of-sale and end-of-life of a product notification is distributed to customers.	April-28-2026
Last Purchase Date	The Affected Products are no longer for sale after this date.	July-28-2026
Last Ship Date	The final ship date of the Affected Products. Actual ship dates to specific orders are established during order acknowledgement.	Oct-28-2026

We appreciate your understanding of this situation and your continuing business with Laird. If you have any questions, your Laird account manager will be happy to help you.

Yours truly,
Laird Product Management
