

7850 East Gelding Drive • Scottsdale, AZ 85260-3420

The AT441A cap for M Series color tipped column lever will be discontinued. This accessory was part of a discontinuation of NKK's products over 10 years ago due to inactivity.

| |
|-----------------------|
| Effective Part Number |
| AT441A |

Effective Date:

The discontinuation is effective immediately upon date of release. Orders for the AT441A cap will be accepted until inventory is depleted.

Sincerely

Yohei Takashima
