JW Series

Changes to Location & Production for Specific JW Series Rockers

Changes to Location and Production for JMW Rockers

Type of Change:

- Engineering Part Number
 Product Appearance

There will be revisions to the production and manufacture location for JMW panel seal models of the JW Series. Previously, the lot code on the switch body had a dot mark above the first digit, but now the dot mark will be above the second digit. The shipping box for these switches had "CHINA FACTORY" on the side, but will be replaced with "PHILIPPINES FACTORY." These changes will apply only to the JW Series part numbers listed below and sold/shipped by NKK Switches of America. Effected part numbers are listed on the table below following the **Notes**.

	Lot Number	Shipping Box
Before Changes	Dot Mark Above First Digit  Enlarged to Show Detail	 "CHINA FACTORY" printed on side of box
After Changes	Dot Mark Above Second Digit  Enlarged to Show Detail	 "PHILIPPINES FACTORY" printed on side of box

Notes

- There are no changes to the switches' dimensions or specifications.
- The location of the Lot Number on switch case may vary depending on the part number.
- The size and shape of the Shipping Box may vary depending on the part number.
- Current orders for products originating in China Factory (Country of Origin, COO) will **not** be changing to Philippines Factory.
- Contact the factory if more details are needed.

EFFECTED PART NUMBERS TO BE TRANSFERRED TO THE PHILIPPINES FACTORY

JWMW11RAA	JWMW12RCA	JWMW22RAA	JWMW11RA2A-184A	JWMW21RA2A-255E
JWMW11RCA	JWMW21RA1A	JWMW22RCA	JWMW21RA2A-184A	JWMW22RA2A-255E
JWMW12RAA	JWMW21RC1A			

Effective Dates

Production for the change in location will begin May 12, 2026. During this transition period, inventory at NKK North America may include products from both manufacturing locations.
