

# PRODUCT CHANGE NOTIFICATION

PCN-HVR-251219

*This Product Change Notification serves to inform the Purchaser and Consumer of certain design and or specification changes, described herein, that Sensata will make to its line of high voltage relays.*

**Issue Date:** December 19, 2025

**Effective Date:** February 1, 2026

## **Subject: Change in Shipment Logistics for Gigavac High Voltage Relays**

### **Scope:**

As part of our continuing efforts to optimize our supply chains, Sensata is adjusting the internal shipment logistics and final delivery routing for many of our High Voltage Relay components.

There is no change to the form, fit, or function of the product, and the country of origin for the parts will remain as COO China.

While we do not anticipate any changes in lead times for open or new orders, there will be changes to shipment information for some customers, which will be communicated directly.

### **Products/Models this PCN applies to:**

Please refer to the attached file for a list of part numbers
