

PRODUCT CHANGE NOTIFICATION

PCN-CBR-250605

This Product Change Notification serves to inform the Purchaser and Consumer of certain design and or specification changes, described herein, that Sensata will make to its line of Circuit Breakers indicated in the attachment and in accordance with the described timeline.

Issue Date: June 5th, 2025

Effective Date: June 1st, 2025

Subject:

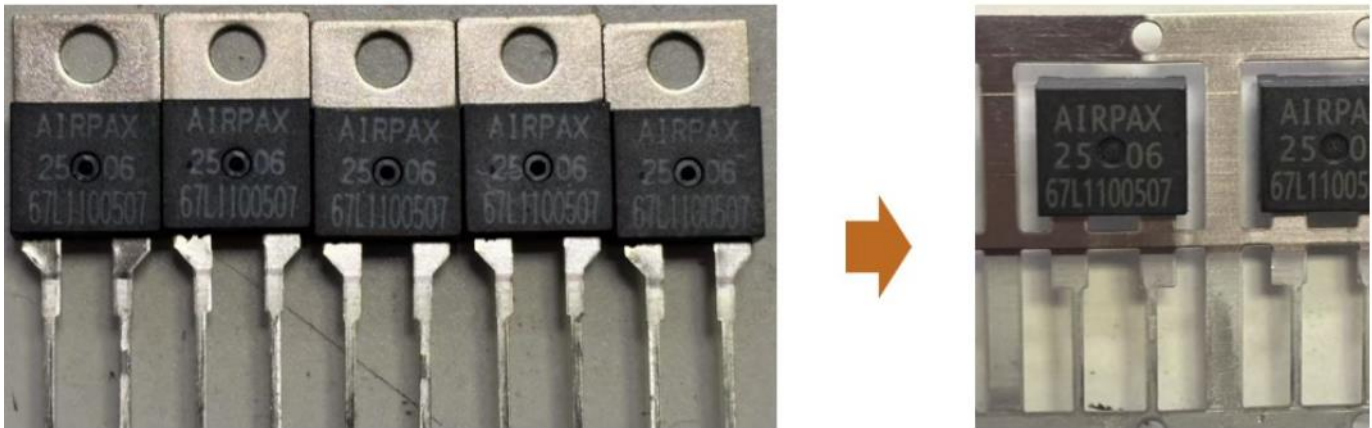

Change to laser marking on 6700 series models.

Scope:

To improve the efficiency of our product marking process, and to make it greener by reducing the use of chemicals, we will start using laser marking for selected all 6700 series models.

Description of Changes:

The marking of 6700 series models will migrate from ink pad stamping to laser marking. Below pictures show the marking of one of the affected products.

Applicability:

Design/Specification changes described herein apply only to models produced as of the effectivity date indicated in the PCN. This change will apply to all products listed below.

Products/Models this PCN applies to:

This notification applies to the following models:
