**Attn:** Purchasing and Quality Departments

**Subject:** Update to NOE 22-023 (GIDEP E1R-P-22-03J) – Qualification of AS23053 and AS39029

Dear Valued Customer,

We are writing with an update to Notice of Escape (NOE) memo 22-023 regarding products for SAE specifications AS23053, AS39029, and AS81824.

NAVAIR, the Qualifying Agency, has notified TE Connectivity of successful qualification of SAE AS39029/73 and /74 , as well as AS23053/10-001-0 (commercial equivalent: TCPN ER6762-000 / SFR-1/8-0-SP-CS9376). Please see Appendix A (attached) for a list of released part numbers.

We have resumed normal production and supply of these parts. All items in the field are representative of qualified product, so they are deemed qualified and should be used as-is.

The AS81824/12 products covered by this NOE will remain on Stop Shipment until the related non-compliance issue is resolved. Other products released under this NOE may be on ship hold under another NOE. Please see [NOE-22-023 Parts List + Shipping] for shipping status as of 4/27/2026.

If you need additional information or support, please contact customer service or your TE account manager.

We apologize for any inconvenience this issue has caused. TE is committed to providing our customers with high quality products and solutions, and we are grateful for your business.

Sincerely,

Manny Barragan
