Reason for Changes:
New specification.As a result of this reformulation, the specification RT 1050/3 will be updated. Manufacturing of impacted parts, which are not certified externally, has now recommenced with immediate effect. All remaining impacted parts will be released for production following completion of the external certifications. We appreciate your understanding and cooperation throughout the revalidation process and remain committed to supporting your ongoing requirements. First Article Inspection and requalification test reports will be made available upon request. Should you have any questions or require further information, our Product Management team will be pleased to assist you.
