TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**  
923 RECEPTACLE

**Description of Changes**  
923 RECEPTACLE part changed as described in attachment  
**Other attachments:**  
[Receptacle design change description](#)

**Reason for Changes:**  
Product improvement. Dear Customer, as part of our ongoing commitment to process excellence, we are pleased to inform you of a change to the way the insulating body is fitted into the angled receptacle, which is designed to optimize the manufacturing process. The shape will change as described in the attachment; the insulating body will no longer snap into place in the housing, but the product's function remains unchanged. If you have any queries, contact your designated contact at TE within 14 business days after receipt of this PCN.
