Product Change Notification

Current Date: 17-Sep-2026

TE Connectivity

Product Change Notification: P-26-031481 **PCN Date:** 16-SEP-26

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Sensors Manufacturing Location Change

Description of Changes
Dear Sir or Madam, TE Connectivity is transferring the manufacturing of the part numbers listed in this notiﬁ cation from the TE Connectivity facility in Speyer, Germany, to the TE Connectivity facility in Timisoara, Romania. Further details regarding the transfer schedule and implementation activities will be available in the customer-speciﬁ c documentation. The aﬀ ected products will continue to be manufactured in accordance with the current product speciﬁ cations and quality requirements. There is no intended change to form, ﬁ t, function, performance, reliability, material composition, or regulatory compliance of the aﬀ ected products. All required qualiﬁ cation and validation activities will be completed prior to implementation of the change to ensure equivalent product quality and performance. -- Aﬀ ected product(s): TE PN: 2298595-1 - P549 HALL, GEAR POSITION SENSOR, BMW; Customer PN: 8567158 (8567158-01, 8567158-02, 8567158-03..);

Reason for Changes:	
As previously communicated, TE Connectivity has made the strategic decision to close its manufacturing facility in Speyer, Germany. To maintain long-term product availability, operational continuity, and supply support for our customers, this notification is being issued in connection with the planned site closure. All previously issued change notifications for affected parts remain valid. As part of the ongoing product transition, TE Connectivity hereby notifies that the supplier source and shipping origin are subject to revision. Any changes will be communicated with appropriate advance notice to allow sufficient time for qualification and approval activities. If you have any questions or need support evaluating your demand, please contact us.
