Product Change Notification

Current Date: 16-Oct-2026

TE Connectivity

Product Change Notification: P-26-031525 **PCN Date:** 21-SEP-26

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
26P/34P/60P

Description of Changes
Manufacturing location change. the Plastic Pellet part Number 1573553-3 which is used in the following Part Numbers will be transferred from Sabic Japan origin to Sabic Korea origin.

Reason for Changes:	
Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN	
Estimated Dates:
