TE Connectivity

Product Change Notification: PCN-26-286224

PCN Date: 22-JUL-26

Customer: TTI Electronics Asia Pte Ltd. (2771300)

Location: Singapore

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

All limit switches mentioned below affected with connectors/Coupler sockets having cadmium content.

General Description of Changes

Dear customer, we are notifying you of an upcoming change to the connectors currently used in your limit switch products. The existing cadmium plated connectors/ coupler sockets will be replaced with the cadmium free variants. New revisions will be established for all affected finished goods to reflect this update. We appreciate your understanding and cooperation as we transition to cadmium free connector- a necessary change to meet regulatory compliance and reduce environmental and health risks. (Geraetestecker VG 95234 A10SL-3PN replaced with Geraetestecker VG 95234 A10SL-3PNJ).

Reason for Changes:

Due to discontinuation of cadmium connectors by suppliers, we are transitioning to cadmium-free alternatives to ensure compliance with REACH and ROHS regulations, thereby eliminating cadmium from our product composition. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed according to customer demand.

PCN Attributes:

Product Category:	Kind of Change:
Connectors	Material
Change Feature:	Potential Customer Impact:
Material Change	
Remarks:	
Dear customer, For the affected finshed goods mentioned below, we have connectors with cadmium material. We will replace this with cadmium free connector.
