TE Connectivity

Product Change Notification: P-26-030078

PCN Date: 07-APR-26

Customer: TTI Inc (168830)

Location: Fort Worth

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

ABC connector's shells and mod retainers plating

Description of Changes

Manufacturing location change. We will be transitioning the following part numbers from the current external supplier to a previous qualified external supplier that has successfully performed the plating process in the past. This supplier was paused due to prior capacity limitations, which are no longer an issue. As part of this transition, re-qualification testing will be performed to ensure continued compliance with quality and performance requirements.

Reason for Changes:

Dear customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The current supplier is located in the United Kingdom, while the proposed manufacturing location will be in the United States of America. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	29-JUN-2026
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	07-APR-2027
