TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Tinel Ring Backshells

Description of Changes

Additional manufacturing options. Please note the part number attached to the document is for reference only, the PCN covers the entire TX / TXR / STX / STXR product range.

Reason for Changes:

As part of our continuous strive to aid our lead-time recovery, we hereby inform you about using additional internal and external sources for manufacture and assembly, for the TX / TXR / STX / STXR product range. This is executed by a strict transfer procedure, guaranteeing no negative influence on quality, ability to supply and FFF. The additional manufacturing locations are under a certified quality management system. An internal release based on our specifications will be executed before any parts will be delivered, which ensures the continued performance criteria.
