TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Addition of resin supplier for the Connectors.

Description of Changes
This PCN notifies the addition of a resin raw material supplier. There are no changes affecting the product's function or performance.

Reason for Changes:
Product improvement. For Business Contingency Plan, internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. While the addition currently applies only to TE Japan production site, please note that the same material source may also be used at other site in the future. Please contact your local TE Account Manager or Distributor for the concerned matter of delivery or sample request. For technical inquiries, please contact TE engineering staff: Watanabe, Kosuke watanabe.kosuke@te.com
