Product Change Notification: P-26-031607 **PCN Date:** 28-SEP-26

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
2X4 SEALED GROMMET

Description of Changes
TE Connectivity is introducing material "2X4 SEALED GROMMET" sourced from an additional manufacturing location of the existing approved supplier, previously utilized to fulfill regional demand. This change has no impact to the product's form, fit, or function. Final Assembly location will remain the same at TE Empalme.

Reason for Changes:	
Product improvement. This change is being implemented to establish safety stock and ensure uninterrupted product availability, as the current manufacturing location has limited capacity to fully support existing demand requirements.
