TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

DEUTSCH DTM Wedgelocks Additional Manufacturing Location

General Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is adding an additional production location for the following part numbers from TE factory located in Mexico to TE approved supplier located in China. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right to move tool back to prior location based on business need. PPAP and/or sample requests must be submitted within 14 days (or per contract with TE) of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request.

Reason for Changes:

Dear Customer, we hereby inform you of the manufacturing location addition because current TE Factory in Mexico is localizing these products in China to better satisfy our customer demands and will be phased in gradually. IMPORTANT: Product from the new supplier are the same as the current supplier and does not impact product performance. Shipments from current and new supplier may be mixed.
