TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
Terminals

General Description of Changes
This Product Change Notification DOES NOT affect the customers outside India. TE Connectivity is in process of qualifying an additional manufacturing location in India alongside the existing manufacturing capabilities in Qingdao (China). Parts manufactured in India will use post-plated matte tin and will have a different logo marking, these changes do not affect product performance. TE Connectivity will perform all required qualification testing and provide test reports as needed. For more information, please contact your TE Connectivity Sales or Customer Service representative.

Reason for Changes:
This change is being introduced to enhance supply chain robustness and add additional manufacturing capacity to better support customer demand within India region
