Tye of Change	Product Change
----------------------	----------------

Description of Change	<p>The production facility is being relocated from Flemingsburg - USA to San Luis Potosí - Mexico, as the Flemingsburg plant is planned for closure. Only Manufacturing location change, there is no change to Part design, specifications, fit, form, function or safety and all the existing Product Parameters will be maintained at the new location. Hence, the pickup point will also change.</p>
